Sea and Sea YS-D2

Product no.: 03117

688,75 EUR (incl. VAT)

Powerful and reliable underwater flash Sea & Sea.
The YS-D2 sets a new standard for underwater strobes. From subtle light output as low as guide number 1 to a maximum power of guide number 32, control of underwater lighting has become effortless with the YS-D2.

The new Sea & Sea YS-D2 flash replaces the already highly popular YS-D1 model with a number of improvements:

- Faster recharging - With lithium battery, flash is ready again_in 1.4 seconds
- Redesigned buttons - You will no longer accidentally get turned on one of the buttons
- Target light with two options (100/300 lumen) and red filter
- The rear panel is with backlit lights, so you can see the buttons in the dark
- Audible sound when the flash is ready again
- Redesigned casing, which protects the rest of the flash in the event of a leak
